HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Steve Biddulph's Raising Girls, Steve Biddulph, Steve Biddulph's Raising Boys was a global phenomenon. The first book in a generation to look at boys' specific needs, parents loved its clarity and warm insights into their sons' inner world. But today, things have changed. All the hazards are signposted - bullying, eating disorders, body image and depression, social media harms and helps - as are concrete and simple measures for both mums and dads to help prevent their daughters from becoming victims. Parenthood is restored to an exciting journey, not one worry after another, as it's so often portrayed. Steve talks to the world's leading voices on girls' needs and makes their ideas clear and simple, adding his own humour and experience through stories that you will never forget. Even the illustrations, by Kimio Kubo, provide unique and moving glimpses into...
