

How to Kill a Princess: And Find True Love (Paperback)

Filesize: 3.95 MB

Reviews

Complete guideline for ebook lovers. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way in fact it is only right after i finished reading this book through which in fact transformed me, alter the way in my opinion.
(Montserrat Runolfsdottir)

HOW TO KILL A PRINCESS: AND FIND TRUE LOVE (PAPERBACK)

Createspace, United States, 2010. Paperback. Book Condition: New. Hannah N Kershner (illustrator). 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a humorous and honest look at the trials and tribulations associated with pursuing the relationship ideals of the Disney generation. It is heartfelt, full of facts and teaches hard lessons. There are many aspects as to what makes someone attractive to us, physical attraction is just one piece. To be able to look beyond our learned behavior biases and within ourselves to see and recognize what true compatibility is comprised of, is the key to relationship happiness. Don't just expect e-harmony to figure it out for you and send you the monthly bill. By taking ownership of your own individual compatibility issues and learning from them you will learn to recognize the men who are worth your love and time. Each of the five chapters in this book are tests for you to apply to your own relationship needs and to the men you are dating. You must first learn to be happy alone before you can ever truly be happy with someone else. By the time you finish reading this book, you will no longer have to wonder who the frogs are, you will already know. -AD.
