My Prophetic Prayer Basket (Paperback)

By Pancheta Hart

Createspace, United States, 2012. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This prayer book is a Healing Manual designed to help all those that are bound in generational curses which God allowed since the inception of the deception and exploitation by the devil during his encounter with Adam and Eve in the Garden of Eden. From this curse came forth dysfunctional families that harbor negative spirits such as: rejection, manipulation, judging, ridicule, abusive relationships, homosexuality, lesbianism, fornication, adultery, lying, stealing, murder, incest, grudge, just to name a few. The instruction is given to me by the Holy Spirit and contains God's healing power to cleanse, deliver, heal and make you whole. The anointing power of God will release you from the stronghold of devils and will set you free and to recover all that have been stolen from you. It will be a total recovery and restoration in the precious name of Jesus (Yeshua), our coming Messiah).
