*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

He once thought he could swear off love, but he learns the hard way he is sorely mistaken. Scooter is an athletic coach whose little black book is as deep as a phone directory. He runs through women like he puts his students through practice drills. Will is a basketball star in New Orleans. Everyone said he was too small, but no one could deny his skills. He and Janet - who proclaim themselves just friends - have a little boy. You can count on Will to be super dad during the off-season. Ray is a DJ for a local radio station. Despite being surrounded by women, he finds it hard to stay connected. Hes either trying too hard or just doesnt have game. Join these four friends as they navigate lifes ups and downs, wins and losses. Each encounter teaches them something about themselves, life, and love along the way.
