It's those secrets that you tuck away that eventually control you. You may think you're okay, but really, your secrets can be tearing you apart from the inside out. Secret Survivors tells the compelling, true stories of people who have lived through painful secrets---things that they kept to themselves until they could no longer bear the pain alone. As you read their stories, you'll be drawn into their journeys towards healing, and you'll understand why it's so important to share your secret with someone else in order to start your own healing process. Read the stories of people, who as teens and young adults, dealt with issues like: *Date rape *Physical abuse *Cutting *Pornography addiction *Eating disorders *Incest *Drug and alcohol addiction *Abortion You may find a story that sounds similar to your own secret pain, or you may learn more about secrets that a friend or family member is dealing with.
