A Catholic Reformed Theologian

By David B. Riker

Paperback. Book Condition: New. Not Signed; This study demonstrates that Benjamin Keach, the most important Baptist figure of the 17th century, was a catholic Reformed theologian. This is done by investigating his relationship with the tradition of the church, his interaction with federalism, and his concept of baptism. Riker presents Keach, and thus the Baptist tradition, in a new way: not as a Calvinist tradition but as part of the broad Reformed family. Second, believer's baptism, the rite from which the Baptists derive their name, is systematically scrutinized against pedobaptism. In so doing, Riker presents every argument, strong or weak, that was used in the 16th- and 17th-century debates and their respective refutation by a Baptist. book.

Reviews

This created pdf is fantastic. Indeed, it can be perform, nonetheless an interesting and amazing literature. Its been developed in an remarkably straightforward way and is particularly simply following i finished reading this publication by which in fact altered me, alter the way i really believe.
