The Wells Bequest: A Companion to the Grimm Legacy

By Polly Shulman

Puffin. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 7.7in. x 5.0in. x 0.9in. Leo never imagined that time travel might really be possible, or that the objects in H. G. Wells science fiction novels might actually exist. But then a miniature time machine appears in Leos bedroom, and he recognizes one of the tiny riders: himself! His search for the time machine and his fate leads him to the New-York Circulating Material Repository, a magical library that lends out objects instead of books. Hidden away in the Repository basement is the Wells Bequest, a secret collection of powerful objects straight out of classic science fiction novels: robots, rockets, submarines, a shrink ray and one very famous time machine. And when Leos adventure of a lifetime suddenly turns deadly, he must attempt a journey to 1895 to warn real-life scientist Nikola Tesla about a dangerous invention. A race for time is on! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
