Destiny Image, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In the book *Dancing With Angels 1*, Kevin Basconi presents an inspirational, faith-building and practical explanation of how ordinary believers can cooperate with and even release or 'loose' the ministry of angels to accomplish the will of God. He clearly shows how living with an awareness of the supernatural should be normal Christianity and not some paranormal activity. Based on the Scriptures, which are expounded upon throughout the book, Kevin helps believers properly discern the angelic ministry and activity that is currently taking place around all of us. Furthermore, the book is filled with his personal testimonies of how he has grown to understand how angels are at work and how working with them dramatically increases our ability to accomplish Gods will. Kevin's personal experiences and the testimonies of angelic visitations serve as faith builders and have a way of propelling the reader to seek God more earnestly for the discernment needed to live in the reality of this angelic awareness and cooperation. The book is also a great tool and guide that can prepare the church to live in the times of the harvest and rapidly approaching healing revivals. One of the important factors of the book is when the author stresses the necessity of proving any supernatural experience with the truths of the Bible. In this, Kevin helps to keep the reader Word Based. The book does not glorify angelic ministry but explains their operation in the earth and how they along with believers can exalt Jesus as King and advance His Kingdom. I highly recommend this book!
