*Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
(Evie Emmerich)

## BUSH V. GORE: EXPOSING THE HIDDEN CRISIS IN AMERICAN DEMOCRACY (ABRIDGED AND UPDATED ED)

University Press of Kansas. Paperback. Book Condition: new. BRAND NEW, Bush v. Gore: Exposing the Hidden Crisis in American Democracy (Abridged and updated ed), Charles L. Zelden, Who could forget the Supreme Court's controversial 5-4 decision in Bush v. Gore or the 2000 presidential campaign and election that preceded it? Hanging chads, butterfly ballots, endless recounts, raucous allegations, and a constitutional crisis were all roiled into a confusing and potentially dangerous mix-until the Supreme Court decision allowed George W. Bush to become the 43rd President of the United States, despite losing the popular vote to Al Gore. Praised by scholars and political pundits alike, the original edition of Charles Zelden's book set a new standard for our understanding of that monumental decision. A probing chronicle and critique of the vexing and acrimonious affair, it offered the most accurate and up-to-date analysis of a remarkable episode in American politics. Highly readable, its comprehensive coverage, depth of documentation and detail, and analytic insights remain unrivaled on the subject. In this first paperback edition, Zelden has abridged and simplified the original to focus on the core story and its essential details, greatly increasing its appeal for a wider and more diverse readership, including students and general readers. He has also added a postscript that deals with developments of the past decade relating to the case. Like the original edition, this volume distills the events, issues, and voluminous commentary relating to "Bush v. Gore" into a sharply insightful and nonpartisan account of a remarkable election, the crisis it produced, and the litigation that followed. Ultimately, it shows that both the election controversy of 2000 and "Bush v. Gore" signaled major flaws in our electoral system that remain with us today.
