Excerpt: . this, and don t stop thinking about it until you understand it: Make men as men incidental in your life, precisely as men who amount to anything make women as women incidental. Her first sensation was obviously disappointing. She had expected something far more impressive. Said she: I don t care anything about men. Be sensible! How are you to know now what you care about and what you don t? was Burlingham s laughing rebuke. And in the line you ve taken--the stage--with your emotions always being stirred up, with your thoughts always hovering round the relations of men and women--for that s the only subject of plays and music, and with opportunity thrusting at you as it never thrusts at conventional people--you ll probably soon find you care a great deal about men. But don t ever let your emotions hinder...
