

MANUAL DE SANTERÍA

By -

Brontes. soft. Book Condition: New. Formato: pdf Adobe DRM Si el pasado se disipa y el futuro siempre está por venir, posiblemente estemos viviendo un eterno presente sin darnos cuenta. Pero como el ayer deja consecuencias en el hoy, y el futuro no lo vemos con claridad y tampoco con la perspectiva de que nuestros actos de hoy crean consecuencias para el mañana, nos queda siempre la curiosidad de lo que pasará de hoy en adelante. En este Manual de Santería el Dr. Job Touré nos desvela algunas de las técnicas y los métodos de adivinación que se utilizan en el terreno de los Orishas tradicionales asimilados a Santos Católicos por los esclavos Yoruba, que llevaron consigo su religión desde las profundidades de África hasta las profundidades de América, en un apasionante viaje mágico religioso que hoy en día empapa a buena parte del mundo.
