

Funky Fractions: Multiply and Divide (Paperback)

By Lisa Arias

Rourke Educational Media, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. Multiplying and dividing fractions can be a funky mess if you don't take the right steps. The rhyming text in this book will help students understand, in a fun way, just how to tackle these fractions with step by step directions and visual representations. Students can then practice what they learned by completing the sample problems! This book will allow students to apply and extend previous understanding of multiplication and division to multiply and divide fractions.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
