Below is an introduction to the first book on sewing! Enjoy this bundle and learn a ton! This book is for beginners out there who didn't listen to their teachers during their craft class, for those who didn't have a chance to listen to one, and to those who simply want to explore this age-old art. This book is intended to guide you towards mastering the art of sewing and equipping you with the skills necessary to create your own sewing projects and products. You will learn first and foremost the benefits sewing has to offer and the role that it plays on your everyday lives. Not only that, you will also learn what are the basic stitches in sewing, the tools you need to fill your sewing kit with, and the preliminary tasks you need to accomplish before you can sew. By the time you finish reading this book you are going to be able to start creating your own projects and unleash your creativity on fabrics of your choosing. You don't have to depend anymore on what stores has to offer you because your imagination will now be matched with skills sufficient to make all those dream projects come true. Why You Must Have This Book! > In this book you will learn how to appreciate sewing and take note of its benefits. > This book will teach you the steps to creating various sewing stitches without the help of a sewing machine. > In this book you will learn how...
