Freight Books. Paperback. Book Condition: new. BRAND NEW, The Few, Cathy McSporran, Throughout the Second World War, British Prime Minister Winston Churchill employed and consulted witches. This little-known historical fact provides the inspiration for Cathy McSporran's outstanding fantasy novel The Few. Maggie is an ordinary teenager living on the South East Coast of England. Helping out during the evacuation of Dunkirk, it becomes apparent that she and her younger brother Colin may have supernatural powers. Soon both are taken to London and recruited into a special group tasked with fighting the Gothi, a coven of 12 German teenage witches, hell-bent on crushing British resistance. As the Battle of Britain rages, Maggie meets and falls in love with Polish Spitfire pilot Michal. Will she be able to keep Michal safe? Will she, Colin and their friends manage to fight the overwhelming occult forces of the Nazi witches channelling the power of the ancient Aryan goddess Freya? The Few, Book One in a new series, is a gripping epic fusing supernatural fantasy and Second World War historical fiction.
